A parishioner has given me a pamphlet with an article entitled: "Twelve reasons from the teachings of the Church for wanting to spend one hour with Jesus in the Blessed Sacrament". During the next few weeks I should like to have some in our newsletter.

- v. Day and night Jesus dwells in the Blessed Sacrament because you are the most important person in the world to Him! "Christ is reserved in our churches as the spiritual centre of the heart of the community, the universal Church and all humanity, since within the veil of the species, Christ is contained, the Invisible Heart of the Church, the Redeemer of the world, the centre of all hearts, by Him all things are and of whom we exist." (Pope Paul IV, *Mysterium Fidei*)
  
- vi. Jesus wants you to do more than to go to Mass on Sunday. "Our communal worship at Mass must go together with our personal worship of Jesus in Eucharistic adoration in order that our love may be complete." (Pope John Paul II, *Redeemer of Man*)

From the Catechism of the Catholic Church (slightly adapted):

Paragraph 2305: Earthly peace is the image and fruit of the peace of Christ, the messianic 'Prince of Peace'. By the blood of his Cross, 'in his own person he killed the hostility', he reconciled men with God and made his Church the sacrament of the unity of the human race and of its union with God. 'He is our peace.' He has declared: 'Blessed are the peacemakers.'

Paragraph 2442: It is not the role of the Pastors of the Church to intervene directly in the political structuring and organization of social life. This task is part of the vocation of the lay faithful, acting on their own initiative with their fellow citizens.
