

## Proposed Plans for the Renovation of Launceston and Bude Churches

### **Bude:**

Renovate interior and re-site altar and tabernacle to former sanctuary

Re-plaster wall behind re-sited sanctuary and re-paint

Remove cladding from the wall of existing sanctuary

Reposition pews, statues

Estimate: £ 3,773

**Launceston:** Based on survey of 15<sup>th</sup> July 2011 by Vickery Holman

Refurbishment of church organ Estimate: £20,000

Lighting to be upgraded TBC

Sound system to be installed TBC

Repair and re-decoration of church and chapel ceilings £ 1,000

Repair and treatment of defective/decayed floor timbers adjacent to entrance door of upper room £ 1,000

Re-setting of loose and uneven wood blocks to floor £ 300

Expansion of burial plots into unused area of churchyard TBC

Demolition of redundant ex-hall and garage and removal of adjacent dying tree £ 5,000

New access roadway to church, to replace steep ramp TBC

And this is just the beginning. . .
